PROFILE

A goal-oriented Entry Level Frontend Developer with knowledge of HTML, CSS, JavaScript, React, Angular and seeking to use technical proficiency and creativity to develop engaging user experiences and advance in a professional career. Looking to leverage effective debugging, code optimization and project collaboration capabilities to produce applications that exceed user expectations.

SUMMARY

An adapt and proficient coder proficient in HTML, CSS, PHP, and JavaScript programming languages. Demonstrates a collaborative and well-coordinated approach within a team setting, with a keen eye for detail, graphic design capabilities, and a proactive stance in enhancing codebase and user experience (UX) enhancement endeavors.

WORK EXPERIENCE

- Developed an interactive layout, using HTML, CSS and JavaScript to generate an improved user experience and ensure high-quality design and cross-browser compatibility
- Spearheaded debugging efforts to eliminate cross-browser issues, helped improve application functionality, and increased performance by optimizing page elements for faster loading times
- Contributed actively in requirement gathering and user story design.
